

Accessibility Plan 2020 – 2023

Our Mission Statement

Holy Trinity and S. Silas School was founded by the Church in 1847 to serve the community and to provide an education for every child in the area.

We offer all our children an education of the highest quality taught through the arts and lived through the principles and practice of the Christian faith. We provide a place where all children and adults know their contribution is valued and where they can develop their own faith in God and in one another.

We aim to help every child develop to their full potential, to achieve highly, succeed, and grow in confidence and abilities. Our inspiring curriculum provides all the skills every child will need for life, it develops their self-confidence, awakens their imagination and encourages them to think independently.

We value the diversity of backgrounds and cultures which enrich our life and help our school become the unique place it is. The life of our school is integral to that of the Parish: we both contribute to our local community and benefit from it in our achievements.

It is with this unity that we fulfil our school motto:

'Fortis in Fide'

1. Introduction

Holy Trinity and S. Silas is a diverse and inclusive CofE School that focus on the wellbeing and progress of every pupil.

The Accessibility Plan addresses the statutory requirements of the Equality Act 2010 and the Special Educational Needs and Disability (SEND) Code of Practice. The plan is structured to complement and support the school's Equality Objectives.

We understand that the LA will monitor the school's activity under the Equality Act 2010 (and in particular Schedule 10 regarding Accessibility) and will advise upon the compliance with that duty. The Accessibility Plan will be reported upon annually in respect of progress and outcomes.

2. Our Aims

We are committed to providing an environment that enables full curriculum access that values and includes all pupils, staff, parents and visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to taking positive action in the spirit of the Equality Act 2010 with regard to disability and to developing a culture of inclusion, support and awareness within the school.

Holy Trinity & S. Silas School Accessibility Plan shows how access is to be implement for disabled pupils, staff and visitors to the school in a given timeframe and anticipating the need to make reasonable adjustments to accommodate their needs. The Accessibility Plan will contain relevant and timely actions to:

- increase access to the **curriculum** for pupils with a disability, expanding the curriculum as necessary to ensure that pupils with a disability are as, equally, prepared for life as are the able-bodied pupils; (If a school fails to do this they are in breach of duties under the Equalities Act 2010); this covers teaching and learning and the wider curriculum of the school such as participation in after-school clubs, leisure and cultural activities or school visits - it also covers the provision of specialist or auxiliary aids and equipment, which may assist these pupils in accessing the curriculum within a reasonable timeframe;
- improve access to the **physical environment** of the school, adding specialist facilities as necessary - this covers improvements to the physical environment of the school and physical aids to access education within a reasonable timeframe;
- improve the delivery of **written information** to pupils, staff, parents and visitors with disabilities; examples might include handouts, timetables, textbooks and information about the school and school events; the information should be made available in various preferred formats within a reasonable timeframe.

The Accessibility Plan should be read in conjunction with

- **Equality Policy & Objectives**
- **Staff Handbook**
- **Health & Safety Policy (including off-site safety)**
- **Inclusion & SEND Policy**
- **Behaviour Management Policy**
- **School Improvement Development Plan**
- **School Website**
- **Local offer document**

The school will work in partnership with the Local Authority and the Diocese of London in developing and implementing this Accessibility Plan where applicable.

An accessibility audit remains the responsibility of the Governing body. A recent accessibility audit was undertaken by Holy Trinity & S.Silas School in January 2020. See Accessibility Audit appendix 1.

It may not be feasible to undertake all of the works during the life of this Accessibility Plan and therefore some items will roll forward into subsequent plans.

An accessibility audit is completed by the school prior to the end of each period covering this plan in order to inform the development of a new Accessibility Plan for the on-going period.

The Accessibility Plan will be monitored by the Governing Body. The terms of reference for all governors' committees will include the need to consider Equality and Diversity issues as required by the Equality Act 2010.

The Accessibility Plan is available on the school website.
